Real education. Real skills. Real jobs.

## WHY CHOOSE US?

Located in the heart of Melbourne's Docklands precinct, Kangan Institute's Automotive Centre of Excellence (ACE) is the largest and most advanced automotive and technical training facility in the southern hemisphere.

ACE boasts spectacular views of the city or docklands waterfront precinct and can cater for any event function, from a new product launch right through to a formal gala dinner ACE has a venue space to meet your needs from 10 through to 400 square metres. Our facilities are equipped with state of the art multimedia systems including the latest wide screen projection and audio systems.

ACE's large technical workshops are purpose-built for learning making the venue the perfect place for hands-on training and development or the perfect unique meeting environment. On-site catering and dedicated events coordinator will ensure your function runs smoothly.

## EVENTS AT ACE

ACE's dramatic open plan space is a blank canvas for your imagination. The large industrial space is full of atmosphere and intrigue; perfect if you are searching for a corporate event venue that is a little bit different. It is suitable for a wide range of functions and events, from the intimate to the extravagant.

## ON-SITE CATERING

Catering options can be tailored to almost any event. Function areas of the building are licenced to serve alcohol. With our dedicated on-site coordinator you can be confident that your event, no matter how big or small, is in good hands from conception through to execution.
